LIMITED WARRANTY

D-200 FOR USE ON STEEL AND FIBERGLASS DOORS

1. Subject to the terms and conditions of this warranty, AquaSurTech OEM ("AQ"), warrants that D-200 (the "Product"), when applied to steel and fiberglass doors in accordance with the Application Instructions issued by AQ regarding the Product (the "Instructions"), will be free from peeling, cracking or blistering and significant (greater than 6 Delta E units) ultraviolet discoloration caused by natural environmental atmospheric conditions, for a period of five (5) years from the date of application of the Product.
2. This limited warranty is not applicable and does not extend to the following:
 - i) If the Product has not been applied in strict accordance with the Instructions;
 - ii) If damage occurred as a result of poor quality of the door substrate coated using the Product;
 - iii) If damage occurred as a result of failure of the primer, if any, applied to the door substrate, unless the primer was supplied or approved, in writing, by AQ;
 - iv) If damage occurred during delivery, transport or installation of the coated products;
 - v) If damage is caused by an external factor, including, but not limited to, stucco leach, acidic or solvent washes, hard tack tapes, persistent salt water spray and blowing sand;
 - vi) If damage occurred due to an act of God.
3. If the Product fails to meet this limited warranty, AQ's liability is limited solely and exclusively to provide replacement Product or refund the original purchase paid for the Product, at the option and sole discretion of AQ. Replaced Product is warranted only on the same terms and for the remainder of the warranty period. AQ reserves the right to discontinue or change any Product. If the Product is not available, AQ may select and provide a replacement Product of equal quality and price. Transportation, labor and application charges are the customer's responsibility and are not included in this limited warranty. The foregoing is the sole and exclusive remedy for the Product under this limited warranty.
4. This limited warranty is in lieu of and excludes all other warranties not expressly set forth herein, expressed or implied by operation of law or otherwise, including but not limited to any implied warranties of merchantability or fitness for a particular purpose. To the extent that any implied warranties may nonetheless exist by operation of law, such warranties are limited to the duration provided by law. AQ shall not be liable for incidental, consequential or special

damages of any kind. Some states/provinces do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply. AQ does not authorize anyone to create for it any obligation or liability in connection with the Product.

5. All claims under this limited warranty must be initiated during the warranty period. To initiate a claim, please contact AQ at its then current address. Claimant will be required to provide evidence of the Product failure, proof of date of purchase of the Product, and proof that the Product was applied in strict accordance with the Instructions.
